Quyen Nguyen

Toronto, ON · (437) 860-6089 · thcquynn.ngn@gmail.com · LinkedIn · Portfolio

Digital Media graduate student with a background in graphic design and UX/UI design process, spanning brand identity, packaging, and product interface work. Comfortable moving between visual design and structured process work like user research, wireframing, and prototyping. Currently completing a Master of Digital Media at Toronto Metropolitan University, building on a Bachelor of Graphic Design and a Digital Product Design Graduate Certificate from Sheridan College.

EDUCATION

Master of Digital Media Expected August 2026
Toronto Metropolitan University

Digital Product Design Graduate Certificate Graduated June 2025
Sheridan College

Bachelor of Graphic Design Graduated June 2024
Vietnam University of Fine Arts

PROJECTS

UniBank
Team project, Digital Product Design Workshop, Sheridan College x Red Thread Innovations

- Led initial user flows and owned the consumer app UI design within a 3-person team building a two-sided banking concept (consumer app plus advisor software) for non-traditional family structures
- Shared user research and ideation with the team across a 15-week workshop
- Designed and prototyped in Figma, producing a working prototype and demo video

NOTE - The Scent Lab
Solo brand and packaging project, Vietnam University of Fine Arts

- Redesigned brand identity and packaging for a Vietnamese fragrance brand, covering logo, packaging system, and collateral across candle, diffuser, and perfume lines
- Built the concept around Vietnamese regional identity, naming collections after places and seasons
- Designed the full system in Adobe Illustrator and Photoshop over a 13-week solo project

EXPERIENCE

English Assistant April 2022 – July 2023
Happy House English Center · Hanoi, Vietnam

- Communicated clearly and patiently with young learners and parents, adapting tone and pace to different audiences
- Managed classroom dynamics for groups of 15–20 students across a 15-month role

Designer June 2022 – December 2022
Tiffany Wedding & Event · Hanoi, Vietnam

- Designed custom print materials and event backdrop mockups for clients in Adobe Illustrator and Photoshop
- Communicated directly with clients to translate briefs into final design options under deadline

Coloring Assistant February 2022 – June 2022

Neo Nagashima Development Co., Ltd · Hanoi, Vietnam (Remote)

- Applied precise, consistent coloring to assigned scripts in Clip Studio Paint

2D Artist May 2021 – December 2021
Ươm Tạo Tiềm Năng Trẻ Co., Ltd · Hanoi, Vietnam

- Illustrated teaching materials and slideshow content for elementary students in Clip Studio Paint
- Delivered consistent, on-schedule output across a 7-month role
